Report on Anti-Drug Activity Conducted on September 7, 2024

Introduction:-

Report on Anti-Drug Awareness Program at Government College Thachi

An anti-drug awareness program was organized by the **Nasha Nivaran Club** at Government College Thachi on dated **07.09.2024** under the chairmanship of **Professor Deep Kumar**. The event featured **ASI Jai Singh from Police Station Aut, Distt. Mandi (H.P.)** as the keynote speaker. During the session, **ASI Jai Singh** addressed the students, emphasizing the harmful effects of drug addiction and urging them to stay away from such substances. He highlighted the dangers associated with drug abuse and encouraged the youth to focus on their education and personal growth.

The program aimed to spread awareness about the social and health-related consequences of drug consumption and motivated students to lead a healthy and disciplined life. The event concluded with an interactive session, where students actively participated and shared their views on the topic.

This initiative was a significant step towards educating young minds about the importance of a drug-free life and promoting a healthy society.

Objectives:

1. To raise awareness about the dangers of drug abuse.
2. To educate participants on the legal consequences of drug-related offenses.
3. To encourage a healthy and drug-free lifestyle.
4. To engage the community in preventive measures against drug abuse.

Conclusion:

The event was a significant step towards curbing drug abuse in our community. Continued efforts,

GOVT. COLLEGE THACHI MANDI, H.P.

including regular awareness campaigns, counseling sessions, and stricter law enforcement, will be essential in sustaining the impact of such initiatives. Future activities will focus on deeper community engagement and rehabilitation programs for affected individuals.
